Dear Douglas Latham:

This letter obligates \$38,527 of Operating Fund subsidy for Federal Fiscal Year 2017, representing the project's interim obligation for the month(s) of August and September 2017. Please note that the interim eligibility for this project may vary from its final eligibility determination. Adjustments may be made based on the approved FFY 2017 HUD-52723. Therefore, the final proration level may change from the interim proration level.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.
